****Pezzaioli SBA 63 S – COMING SOON**

This ****Pezzaioli SBA 63 S**** has already been sold!
 But the good news is: ****we have 5 more trailers of this type coming in.****

And even better: ****you can still choose the colour yourself!****

Thanks to its low tare weight of only ****10,000 kg****, this trailer offers an impressive ****payload of approximately 29,000 kg****.

****100.91 m² total floor area****

Tare weight only ****10,000 kg****

Payload approximately ****29,000 kg****

****2 lifting axles**** – axle 1 and axle 3

Extremely manoeuvrable, even on tight farmyards

****90 cm floor height**** between the decks

Ventilators on both left and right sides

Ventilators can **blow and extract air**
Adjustable to **50% or 100% capacity**
Ventilation openings in the sliding panels allow you to drive with the panels closed while keeping the ventilators running
Excellent ventilation and climate control for the livestock during transport
Loading ramp finished with a **polyester layer with grit** for extra grip and reduced noise
Extendable loading ramp for a **less steep angle**, making it easier for livestock to enter

Designed with a focus on **maximum payload, animal welfare, ease of use and excellent manoeuvrability**.

Pezzaioli – quality for professional livestock transport.

Interested in one of the 5 available trailers? Contact us soon.
The colour can still be selected, but availability is limited!
